

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 23, 1996

SUBJECT: **HB 2338 - SB 2571**

This bill, if enacted, will make it a Class B misdemeanor to sell beer by means of a drive-through window.

The fiscal impact from enactment of this bill is estimated to be a decrease in state and local government revenues to the extent that sales of beer are decreased. Such decrease cannot be determined but is estimated to be not significant.

The fiscal impact from enactment of this bill also will depend upon the number of persons convicted of this offense and the resultant increased cost to local governments to confine such persons versus the increased revenues to local governments from fines levied and collected under the provisions of this bill. Therefore, the fiscal impact cannot be readily determined, but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
